

CAPABILITIES STATEMENT

At American Logistics, we are committed to delivering excellence in our refrigerated domestic equipment transportation and logistics services. Our team will help our clients manage through the various supply chain needs, no matter how complicated. We specialize in frozen foods, protein, produce, and other temperature-controlled commodities. Our foremost goal is to understand the needs of our customers and provide relevant solutions or services that lead to a closer working relationship.

We are driven by a commitment to integrity, innovation, teamwork, and accountability. Our work each day is motivated by a customer obsession that inspires all our team members to find the best answers for those we serve.
